Be Elegant with Stonelegant

ABOUT US

Stonelegant was established in 2016 and operates with the high-end production techniques in a 3500 m² closed area. We are producing artificial wall stones and bricks to decorate your walls both interior and exterior.

These attractive cultured stones and bricks are truly a dream product for renovators, builders, designers, and architects alike due to their versatility and the fact that they can be applied almost any living space. Adding a personalized touch to your interior with culture stone indicates grace, balance, and an aesthetic sense to your projects. Stone wall designs not only add an original and fresh appeal to your estate but also increase its resale value greatly.

So, if you are planning that special project filled with an extraordinary atmosphere unlike any other, these decorative stones will bring to your house dramatic architectural effects, class, and elegance. Our customized stones will give your home exceptional character, refinement, and charm that you and your friends will love and admire.

Our culture stones and bricks are currently in the national and international markets with the registered trademark of Stonelegant. We offer a wide range of products for designers with our cultured stone and brick production in 15 different textures and 90 different colors. We embrace all projects, the largest and the smallest, and are rapidly moving towards becoming the largest business partner of designers and builders. With our R&D investments, we are constantly improving to be a leader in the market.

We offer you a world full of style, power and elegance to make your dreams come true.

Now, you are acquainted with the legend of stone, way closer! Make your choice to become a part of this legend and join us.
